

**Name of work:** -Providing barricading arrangements at Down Hill from Vinayaka Temple to bathing ghat) and Kesakandanasa

S.No.	Estimate Quantity (only Figures)	Item Detailed Specification Description
1	100	Hire charges for Temporary illumination, consisting of 18W/20W, 1200mm length LED batten tube light complete with required wire leads duly erected and dismantled <b>without scaffolding</b> including cost and conveyance of all materials and labour charges etc..complete for 12 days.
2	100	Hire charges for Temporary illumination, consisting of 54 Nos*3W Multicolour LED Parcon light complete with required wire leads duly erected and dismantled <b>without scaffolding</b> including cost and conveyance of all materials and labour charges etc., complete for 12 days.
3	500	Hire charges for Temporary illumination, Design Boards consisting of 12mm 0.3W, 5V weatherproof digitally controlled RGB Pixel LED light complete with rotating effect on 2mm Sunglass Sheet complete. with required wire leads duly erected and dismantled <b>with scaffolding</b> including cost and conveyance of all materials and labour charges etc., complete for 12 days
4	3	Hire charges for supply and maintaining 62.5 KVA, 415 voltage, 50 C/s AC generating set with Sound proff and Body earth all standard accessories such as control panel, batteries etc complete for one day excluding cost of fuel. Complete for 12 Days
5	1	Hire charges for supply and maintaining 5 to 15 KVA, 415 voltage, 50 C/s AC generating set with Sound proff and Body earth all standard accessories such as control panel, batteries etc complete for one day excluding cost of fuel. Complete for 12 Days
6	40000	Hire charges for Temporary illumination, consisting of white / colour series light 6.2v or 8mm LED sets complete with 1000 Nos. with required wire leads duly erected and dismantled <b>with scaffolding</b> including cost and conveyance of all materials and labour charges etc., complete for 12 days.
7	30000	Hire charges for Temporary illumination, consisting of 12mm 0.3W, 5V weatherproof digitally controlled RGB Pixel LED light complete. with required wire leads duly erected and dismantled <b>with scaffolding</b> including cost and conveyance of all materials and labour charges etc., complete for 12 days
8	600	Hire charges for supply and maintaining towards P.V.C pipe 20mm 1.5 mm thickness with junction boxes ,elbowes,bends including with run of cable with necessary terminatrions etc., complete for 12 days
9	100	Hire charges for Temporary illumination, consisting of flood light 400W metal halide fitting with lamp complete with required wire leads duly erected and dismantled <b>with scaffolding</b> including cost and conveyance of all materials and ELCB control, labour charges etc., complete for 12 days.
10	250	Hire charges for Temporary illumination, consisting of 120W LED flood light complete with required wire leads duly erected and dismantled <b>without scaffolding</b> including cost and conveyance of all materials and labour charges etc., complete for 12 days.

11	150	Hire charges for Temporary illumination, consisting of tube light with patti type 4'-40W complete with required wire leads duly erected and dismantled <b>without scaffolding</b> including cost and conveyance of all materials and ELCB control, labour charges etc., complete for 12 days.
12	50	Hire charges for Temporary illumination, consisting of flood light 1000W hallogen with lamp complete with required wire leads duly erected and dismantled <b>without scaffolding</b> including cost and conveyance of all materials and labour charges etc., complete for 12 days.
13	1500	Hire charges for Temporary illumination, Design Boards consisting of white / colour LED lights with rotating effect on 2mm Sunglass Sheet complete. with required wire leads duly erected and dismantled <b>with scaffolding</b> including cost and conveyance of all materials and labour charges etc., complete for 12 days.
14	70	Hire charges for Providing oscillating type pedestal fan 16" / 18" with connected wire leads duly dismantled including cost and conveyance of all materials and labour charges etc., complete for 12 days.
